

**Thomas, as a friend and a fisherman,**

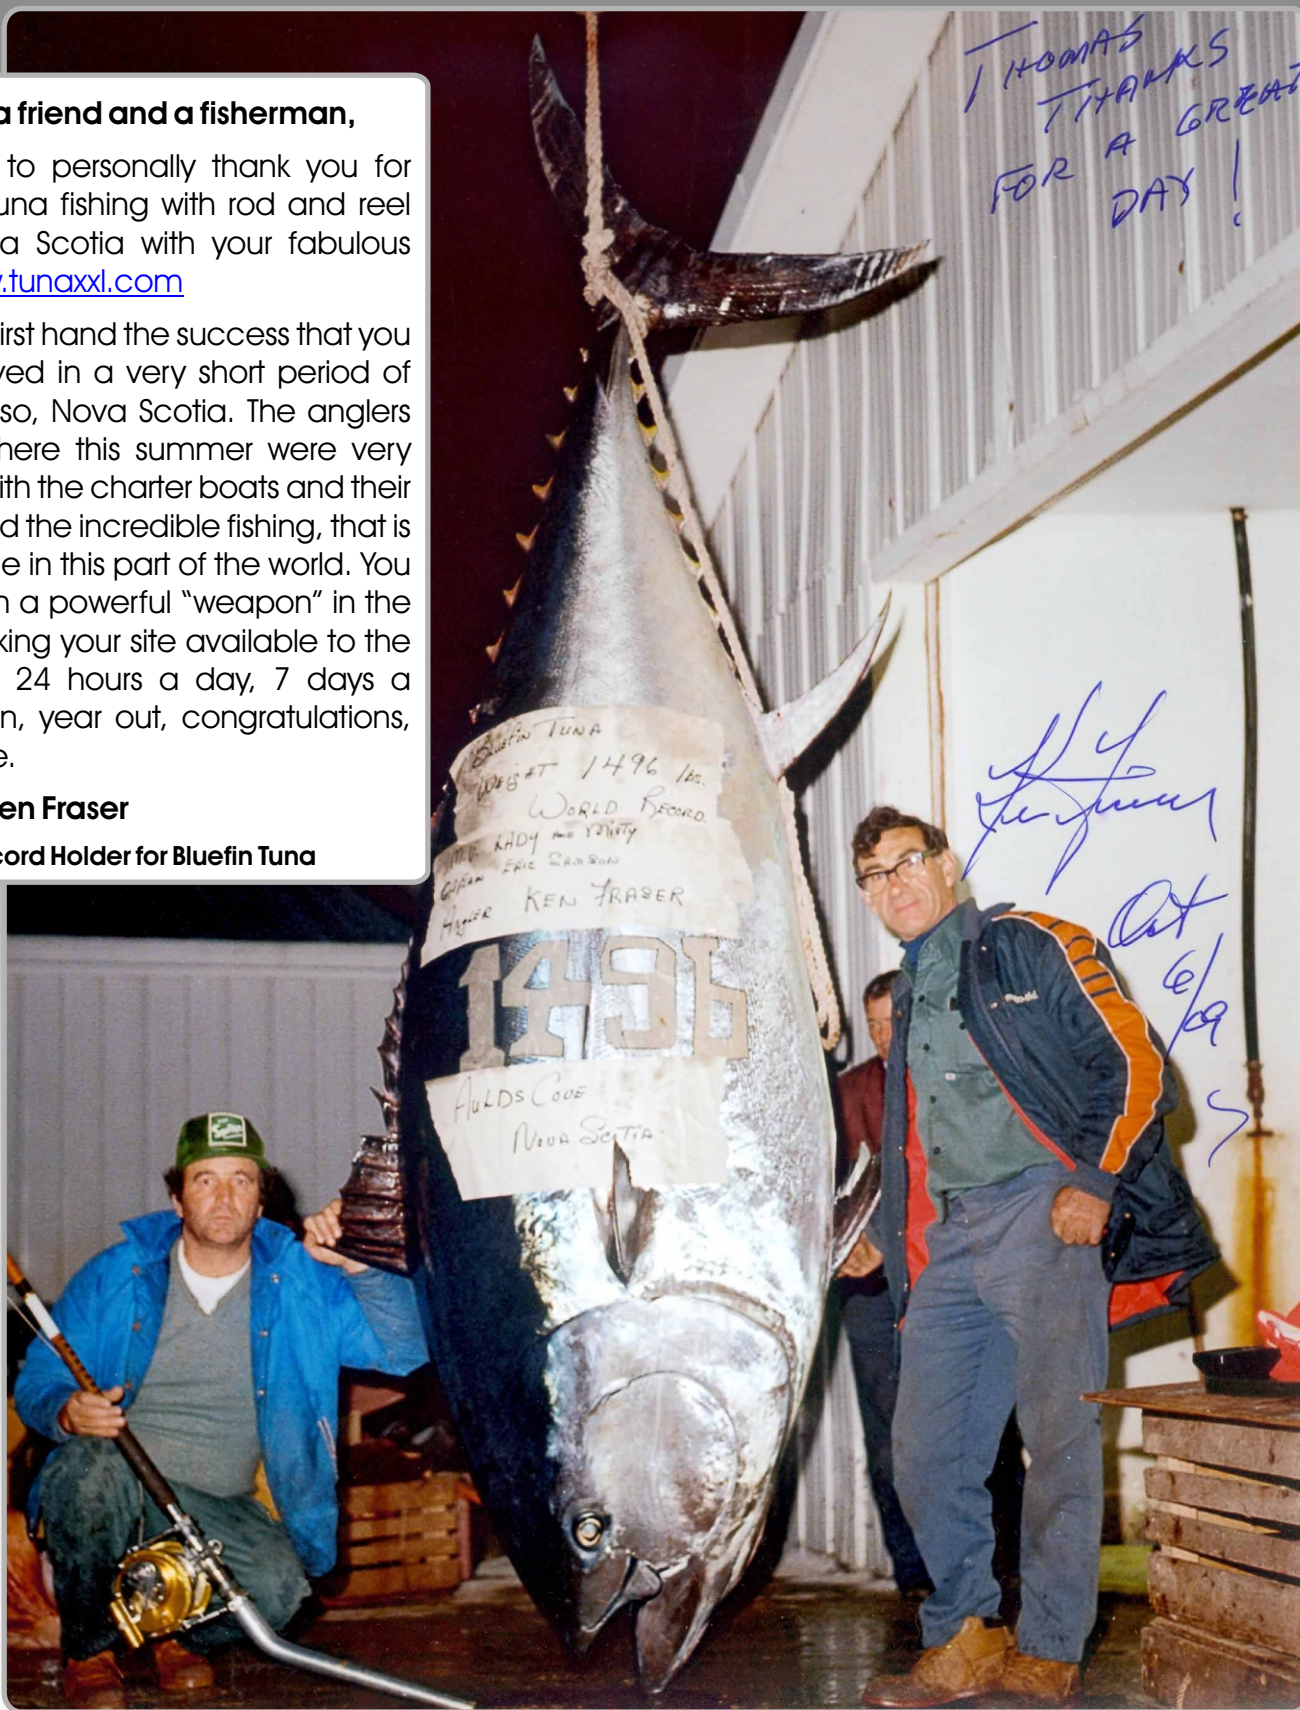

I would like to personally thank you for promoting tuna fishing with rod and reel here in Nova Scotia with your fabulous website [www.tunaxxl.com](http://www.tunaxxl.com)

I have seen first hand the success that you have achieved in a very short period of time at Canso, Nova Scotia. The anglers that I met there this summer were very impressed with the charter boats and their captains, and the incredible fishing, that is only available in this part of the world. You have chosen a powerful "weapon" in the internet, making your site available to the whole world 24 hours a day, 7 days a week, year in, year out, congratulations, job well done.
